HOME OF THE PANTHERS

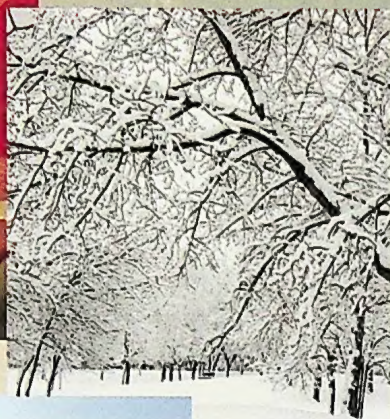

A MESSAGE FROM YOUR CLASS PRESIDENT

We all experience change at some point in our lives. One of the most spectacular changes is the transition from junior high to high school, then from high school to whatever life may hold afterwards. When we enter high school as Grade 10 students we keep our heads down and try to blend in with the crowd. In Grade 11 we focus in our friendships and peer groups. By Grade 12, we are eager to stand out as individuals, exclusive in our own ways while patrolling the halls as the official "rulers" of the school. What we may not be aware of the changes that are happening as we go through high school what we must remember is that being yourself is one of the greatest challenges we may ever face. High school brings a lot of pressure, but amidst the flurry of studying, having fun, and seeking popularity we must not forget who we actually are. If we try to change an aspect of our life, it should be for a positive reason.

Being a student at Page definitely changed my life for the best. Our school as such an encouraging community which accepts people from all walks of life. This year we all stood together proudly as J. Percy Page Panthers and faced our challenges as one. I'm honoured to be the President of such a remarkable student body. Congratulations to everyone on their successes this year.

Hira Rashid, Students Union President, 2009-2010

A Message from Ms. Gibson

Yearbooks are created to capture the memories of your high school years. As you look through the pages of this book may you remember the friendships made, the teachers and support staff who helped you succeed, and the many school activities which made school life more enjoyable. May you feel proud of the positive school community to which you belonged.

Thank you for making J. Percy Page the wonderful school that it is. Each day you brought energy and enthusiasm into the building. You also brought respect, courtesy and positive citizenship. You made a difference to both the school and the community through your volunteer spirit and the time and effort you spent giving back to others.

I wish you success and happiness as you continue life's journey. May you never forget your Panther Pride!

REMEMBER ME AND SMILE

Page Bids Adieu to Some Familiar and Much Loved Faces

As I sort through my filing cabinets, memories of years gone by, fill my days. I remember the good times and the many students that I have had the pleasure of teaching. Some of my first students at Page are now parents of my current students. (I guess I can shred their marks now.) Graduations have come and gone and I feel it is now my time to graduate and leave school. I am proud to have been part of J. Percy Page and proud to have been part of your lives.

Thank you for sharing your enthusiasm for life and learning--- it made my job easier.

Thank you for being the mature, thoughtful students I expected---you never disappointed me.

Thank you for listening to my stories---your politeness was appreciated.

Thank you for the new experiences and stories that I will take with me

Thank you for keeping me up-to date on the latest trends and fashions---my hair may have grayed more and more each year, but you made me feel "younger " than I look.

I hope that you will carry with you fond memories of your school days and that they will be looked upon as the "good old days" in the years to come. Your life is in your hands and it's up to you to make the most of it. Take with you your enthusiasm, energy and successes and what you strive for in your future will be yours. I wish all of you success in the years to come.

Thank you.

Lacia Panylyk

Constable Ressler at the end of year BBQ. After three years at Page he is returning to active duty with Edmonton Police Services.

Mr. and Mrs. Stawnicky had much to celebrate this year. They were married at Christmas and Mr. Stawnicky left Page to pursue his dream to be a firefighter.

Mrs. Panylyk and Ms. Gibson pose together. Mrs. Panylyk has been at Page for 23 of her 33 years as a teacher and over the years has earned many titles, including: the Queen of Chemistry, the Enforcer, and perhaps the most important - the Voice of Reason.. Ms. Gibson came to Page for the final 3 years of her long and dedicated career with Edmonton Public Schools, as principal she has fostered a sense of community and respect that is felt throughout the building. Both will be greatly missed.

It didn't take long for Panther Pride to kick it into high gear for the 2009/2010 school year. Classes started on September 2 and barely one week later the first major event of the school year was underway with the celebration of the 25th Anniversary of J.

Percy Page High School. Events that followed included Panther Pride week, the Volleyball season,

Diwali and Halloween festivities, and the annual Awards Night. The diverse and rich nature of the school community was quickly revealed as Grade 10's began to make Page their daytime home and the Grade 11 and 12 students settled into familiar routines.

The Festival of Lights Brightens the Pit

Diwali, a five day Hindu celebration, is held annually in honour of the "awareness of the inner light" which dwells in us all. This was the first of many events held at Page which recognizes and celebrates the diversity that thrives within our walls. It was a highly symbolic way to begin the year as it's believed that through celebrating Diwali, people are able to find universal compassion, love, and awareness of the oneness of all things. The Student's Union organized a lunch time party in the Pit where students could come together to dance, listen to music, and buy delicious Indian food to snack on.

Panther Pride Turns Twenty-Five

J. Percy Page marked its 25th anniversary with a three day celebration . On the evening of September 10 a formal ceremony was held at the school. Special guests included Trustee Gerry Gibeault, Assistant Superintendent Bruce Coggles, MLA Naresh Bhardwaj and City Councilor Amarjeet Sohi. The school was pleased to welcome back many former principals and staff. The current student body presented two gifts to the school in honor of this special occasion – a painting by student Ashley Purcha and a commemorative bench built by the building construction students.

JUNIOR MEN'S VOLLEYBALL

The Junior Men's Volleyball team had a very successful season. The team went undefeated on the season and not only did they not lose a match, they did not lose a set throughout the entire regular season, 21-0, a feat not many have ever accomplished. In all four tournaments they entered, they went undefeated in all of their round robin play to finish as the number one seed in each tournament. In two of the tournaments the boys went to the championship final, only to come up short to excellent teams in Scona and Ross Sheppard. The boys went hard toward the end of the season to earn a spot in the Premier Playoffs. They beat Ross Sheppard in the first round to advance to the quarter finals against Scona where they lost a tough one. The team was a great bunch of guys to work with and they really bonded as a team during the tournament in Canmore. They worked hard and never stopped believing in themselves as a team. Mr. Stawnicky had a great time coaching each and every one of the players is confident all of them will advance on to bigger and better things in the future of volleyball. Speed Kills...lets get this!

JUNIOR WOMEN'S VOLLEYBALL

The Jr. Girl's Volleyball Season was a busy and eventful one. The girls participated in the W. P. Wagner tournament, volunteered their time scorekeeping at the Top Gun Tournament, and at the end of October to competed in the Canmore Collegiate tournament which gave them a weekend in the Rockies to hike and shop in Banff. The team improved steadily throughout their 10 week season both in their skill level and team cohesiveness. As a result, the girls ended their season play with a 5-1 record and went on to win the 2009 City Conference City Championship on November 14th at Strathcona High School in a hard fought match against Eastglen High School 3 - 1.

SENIOR MEN'S VOLLEYBALL

The Senior Men's Volleyball Team was comprised of a fantastic group of young men that were extremely hard working and team oriented. The first highlight of the season was our trip to Vancouver to compete in the University of British Columbia's 40 team tournament. In a tournament that features the best teams from B.C.,

Alberta, and Manitoba, our boys represented our school well showing that we can compete on a provincial level. The second highlight of our season was the Top Gun Invitational Volleyball Tournament. The tournament saw several provincially ranked teams from our province and was easily the most competitive it has been in the past several years. Once again, our team played admirably and showed that we continue to compete at a high level. This year we are sorry to say goodbye to six long time members in the Panther Volleyball Program and we wish them well in all their post-secondary athletic endeavors. We look forward to welcoming back our returning players next fall as well as those moving up from the Junior Boys teams to round out our roster. Thank you for supporting us all season long, and we look forward to seeing you in September 2010.

SENIOR WOMEN'S VOLLEYBALL

Our Sr. Women's volleyball team had a successful season, starting early in September with tournaments at the University of Alberta and McNally, before playing in the City Conference league of play. The team finished the regular season in 5th place, but

moved to 4th due to a challenge game. Prior to the playoffs, the team ventured to Taber, Alberta for their final tournament of the year. The team had fun, but a short bench and illness left the team in a tough spot, only finishing in 5th place. Back home, they hosted Eastglen in the quarter-finals and won in three straight sets. In the semi-finals, the team played Old Scona and took them to the fifth set, only

to come up a bit short. The game highlighted the season as it marked the best play from the team, despite the losing effort. Coach Tom Sloan and teacher-sponsor Taso Garanis were proud of the effort and sportsmanship displayed by the ladies throughout the season.

Page's Swim Team Plunges
Into the Deep End

After a slow start, the swim team made the most of their season. The teams' hard work, team spirit and dedication resulted in a very competitive showing at the City Finals on November 25th. Official placement of our school in the championship has not been released, however, several swimmers competed in the top heats for their events. Cassie Bosse placed within the top ten womens' 50 m and 100 m backstroke. Aaron Machuca placed within the top ten mens' 200 m breast-stroke. Many of our swimmers came first and second in their heats including Kyle Hoffmeier, Jesse Gilson and Marissa Gilson. All of our swimmers were able to better their times at the city wide championship and should be commended for their achievements. Thanks to our parent supporters and coach Ashley Purcha for all of their hard work this year!

WINTER

Below: Mr. Paquette presents Mr. Stawnicky with the Staff Spirit Award on his last day at Page.

As the snow began to fall and the temperature dropped, students and staff settled into now familiar routines as the first semester was well under way. The school hallways and ping-pong pit were constantly a buzz before and after school as students took refuge from the cold and made Page their home away from home. Volleyball season gave way to basketball, cross-country running and swimming to curling and wrestling. Before we knew it the holidays were upon us bringing staff and students together for the Annual Page Pancake Breakfast held the last day of classes before the break. When things resumed in January, the first semester was brought to a close as students rushed to finish assignments and prepare for final exams.

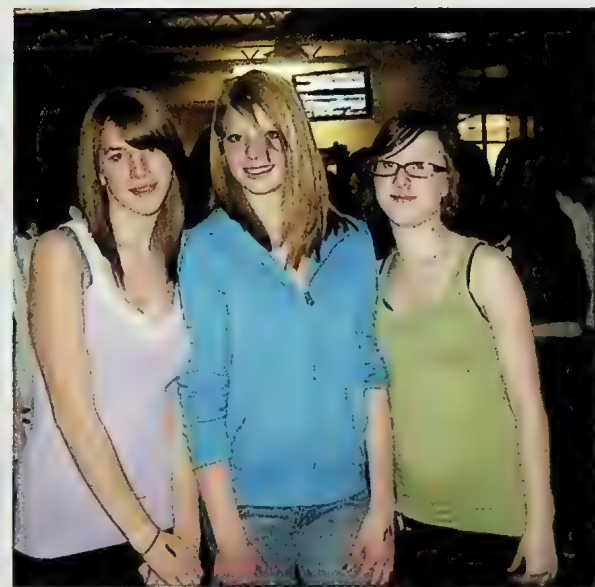

"DO NOT LET YOUR SITUATION DICTATE YOUR DESTINY"

These were the wise words guest speaker Keith Hawkins shared with the students at the school wide assembly held on December 1st. It was a busy time as holiday cheer overcame the school. Students and staff once again celebrated our diversity with the Eid Dance in honour of the end of Ramadan and the annual Christmas Pancake Breakfast.

BRINGING CHRISTMAS CHEER TO THE STOLLERY

This year, it was an honor to be invited back to the Stollery Children's hospital to make gingerbread houses with the patients there. After three evenings at the school, we as a team handcrafted 100 gingerbread house kits to take on our journey. We worked hard, we raised money, we bought candy, and had a great time. While doing this, we gained an appreciation for the people around us, our health, and making a difference in the community.

The arts are a dynamic and vital part of life at J. Percy Page. Each semester the Fine Arts Department bring music and the visual and performing arts to life within our walls with Fine Arts Night. The first Fine Arts Night of the year was held on January 12th. It was a vibrant celebration which fostered a sense of community and school spirit as students were given the opportunity to showcase their artistic accomplishments.

JUNIOR MEN'S BASKETBALL

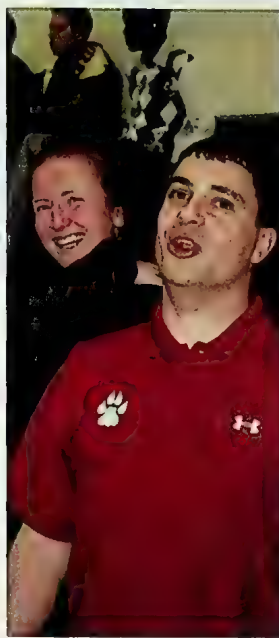

The Junior Men's Basketball 09/10 season was one filled with growth and the opportunity for experience. The boys played hard and gained some invaluable lessons along the way.

Wishing you continued success in Basketball!

JUNIOR WOMEN'S BASKETBALL

The Junior Women's basketball team improved tremendously over the season despite some ups and downs. They competed well in their 2 tournaments and lost a close semi-final game to their arch-nemesis M. E. LaZerte. With a little more practice, next season may be another story!

Coach Corey Schwartz

SENIOR MEN'S BASKETBALL

The Sr. Men's basketball team had a great season. Although the team was very young, they grew up fast and worked extremely hard all season. With tournaments at Bert Church, Notre Dame, Cochrane, O'Leary, and the Panther invitational the team has progressed greatly. The coaches would like to congratulate the team for their hard work and dedication to Panther Athletics. We are looking forward to a fantastic 20010-2011 campaign.

SENIOR WOMEN'S BASKETBALL

This year the Senior Basketball Team consisted of a core group of dedicated athletes. The season kicked off with an enjoyable trip to the coast to play some of the best teams in British Columbia. After a very strong showing in Vancouver, the team returned to battle local teams in the competitive Premiere Conference division. Despite a rough season that saw some unfortunate injuries and personnel changes, the girls fought all season and were rewarded with a championship game and win in their own WIC tournament. The athletes on this successful team were motivated, enthusiastic and great ambassadors for Page.

CURLING SWEEPS BACK TO LIFE AT PAGE

2009-10 marks the rebirth of the J. Percy Page Curling Team. The team was dominant during their exhibition schedule and unfortunately lost out in the city playdowns. The curling team was fortunate to be spectators at the Roar of the Rings Olympic Curling Trials and many wonderful curling memories were created throughout the season. During the students vs teachers curling showdown, the Panther Men were quick casualties to the All-Star Teacher Curling Team.

Coach Darrell Paquette

A highlight of the Curling Season was the Teacher vs. Student match.

Back Row: Thomas Winter, Chase Goebel, Kenan Kigunda, Mr. Paquette
Front Row: James Lord, Brandon Makarowski

This year's wrestling MVP award goes to Anmol Nagra.

TAKING IT TO THE MAT

Through out the season the wrestling team here at J Percy Page battled through a lot of adversity. For the size of the team, the results were quite impressive with two city champions and only two people not qualifying for provincials. We also had the privilege of coaching one of the hardest working athletes we have ever coached, whether it were laps, sprints, or drilling, this individual always gave it his all. He won the city championships, placed second in provincials, and went on to place 3rd in The National Greco Roman championships, this athlete, Anmol Nagra, is a testament to what hard work and perseverance can award you.

In Memory of Skyler Lockwood, January 25, 1994 ~ March 15, 2010

FOREVER IN OUR HEARTS

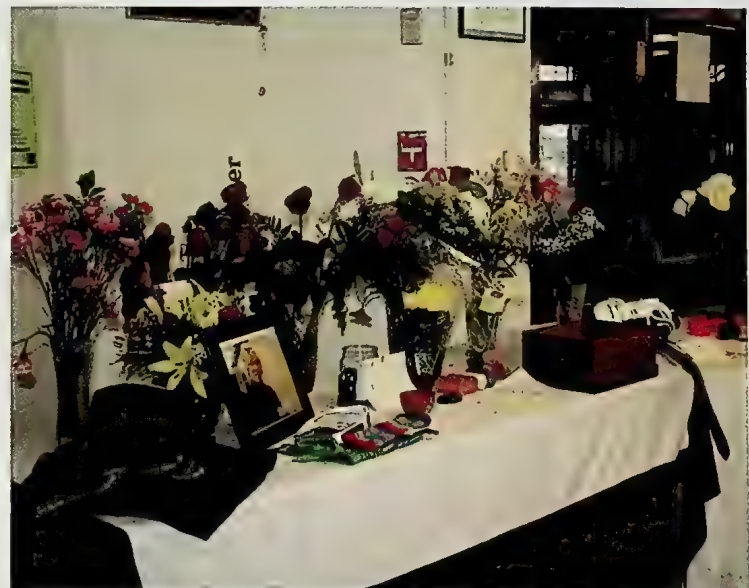

"Perhaps they are not stars, but rather
openings in heaven where the love of our
lost ones pours through and shines down
upon us to let us know they are happy."
Inuit Proverb

On March 15th the Page community suffered a terrible loss with the sudden and tragic passing of Skyler Lockwood on the annual Ski trip to Panorama. Students and staff came together to grieve the loss of a young man whose life was ended too soon.

A much loved Grade 10 student, Skyler was well known for his huge smile and infectious love of life. His death was profoundly felt by everyone at Page, whether they were a classmate, teacher, or friend. In the week that followed the accident, memories were shared and tears were shed as everyone struggled to overcome the shock. A memorial table was set up where students could leave messages of love and condolence for the family, all of which were presented to them at the school's memorial for Skyler held on Friday, March 19th. It was a somber yet joyous occasion where we were all reminded that to live a meaningful life, that touches many hearts, one must not always live for a long time. Skyler's smile and laughter will be remembered by all who had the honour to know him.

A memorial table in Skyler's honour was set up in the school providing students and staff a place to pay their respects.

Native American Prayer

I give you this one
 thought to keep -
 I am with you still - I do
 not sleep.
 I am a thousand winds
 that blow,
 I am the diamond that
 glints on the snow,
 I am the sunlight on
 ripened grain,
 I am the gentle autumn
 rain.
 When you awaken in
 the morning's hush,
 I am the swift, uplifting
 rush of quiet birds in
 circled flight.
 I am the soft stars
 that shine at night.
 Do not think of me as
 gone -
 I am with you still - in
 each new dawn.

The impact Skyler had on many is reflected in the graffiti art in the skate park behind the school.

Spring is nature's
way of saying, "Let's
party!"

-Robin Williams

Spring arrived and brought forth a sense of new hope and life to the hallways of J. Percy Page. School enthusiasm was evident at the Open House as future Panthers made their way through the school, meeting teachers and learning about the broad range of courses we have to offer. Then came the much anticipated week long break that allowed everyone to catch up on some rest and re-energize for the final push to summer.

Spring celebrations in the school included the Annual Talent Show - where former students Harman B, Yukon Jack, and White Chocolate joined now firefighter -in-training, Mr. Stawnicky, in judging the contestants - and Multicultural Week where the diverse and unique community that exists within our walls was celebrated.

In sports, the Waterpolo team took to the water and the Badminton team took to the courts. The snow began to give way to rain showers, melting the winter blues away and giving birth to new life. The energy in the school was high as classes shifted in to high gear, the grade twelves faced the final stretch towards completing their courses, and the reality of Graduation began to loom in the not too distant future.

The Annual Open house was the perfect showcase of Page's enormous sense of pride and school spirit. Students and teachers alike put their best foot forward for future potential future Panthers and their parents. The levity and enthusiasm brought on by the change in weather was further ignited by the Math department's celebration of "Pi Day." Students and teacher battled it out in a pie eating contest over lunch. It was close and much contested, but the judges ruled in favour of the students!

A Much Needed Celebration Re- Energizes Page

The Annual Talent Show took place on the last day of classes before the much anticipated Spring Break. Mr. Stawnicky was joined by former Page students Harman B, Yukon Jack, and the dance group White Chocolate to judge the many and diverse talents that took the stage. Leila Elkhilady took first place for her beautiful performance on the piano, in second were the Hip-Hop Beat Boys, and in third the energetic and entertaining Bhangra dancers. It was the perfect way to lift the sombre mood that lingered in the school, sending students and staff on their week long holiday with some levity and optimism.

PAGE CELEBRATES DIVERSITY

A Week Long Celebration of What Makes Page Unique

Every year at Page we take time to celebrate the diversity that makes our school such a special place. This year was filled with lunch time celebrations in the Pit where performances, music, and food were available from the variety of cultures that mingle in our hallways everyday. At the end of the week there was a buffet dinner in the cafeteria where food from around the world was enjoyed. Ranging from pasta to perogies to samosas, our Multicultural committee did an excellent job ensuring there was something for every palate. Following dinner everyone congregated in the Pit for some exceptional performances, showcasing the rich cultural life that exemplifies Page as a place where everyone is welcome.

PANTHERS SPRING INTO ACTION

WATCH THE BIRDIE!

2010 was another successful year for badminton at our school. We had numerous players join the team who were new to the sport. We were able to send numerous team members to zones, where they competed valiantly but fell just short of the podium. A huge success for the team was the play of the pairing of Cally Oviatt and Kathryn Lacanaria. The duo finished the season with an 11-2 record which was good for 3rd in the city.

Coaches: B.lair Mitchell and Brent Cox

Middle Row: Brandon Makarowski, Sawyer Staal, Kathryn Lacanaria, Julie De Fayer, Lydia Sokol, Pranidhi Baddam, Moise Mominzada / Front Row: Cally Oviatt, Jordan Lucas / Missing: Harnam Mathura, Mr. Cox

PANTHERS GET BACK IN THE POOL

In year two of Page's resurgence with a water polo team we continued to make waves in competitions. The team improved significantly from our first year as more students got involved, practiced hard, and fiercely competed in all our games. All players should be proud of a great season and as we look forward to next year the future looks bright for Panther water polo.

SUMMER

Summer seemed slow to arrive this year as the snow and cold temperatures lingered longer than anyone would have like.

However, before we knew it the grass was green and the scent of lilacs was in the air. Everyone was happy to cast off their winter clothes as flip flops and shorts became the school uniform for May and June.

With the sun shining bright through the many windows of Page, students and staff alike rallied to get prepared for final exams. Everyday after school the soccer, rugby, and track and field teams could be seen taking to the fields behind the school for practice.

On the last day of classes Page's phenomenal school spirit was in fine form as Harman B and Yukon Jack hosted the annual end of year BBQ - complete with a dunk tank, some summer tunes, and great food.

The Sun Comes Out to Help Page Students and Staff Celebrate the End of Classes

Spirits were high and smiles were broad as everyone gathered on the back lawn at Page for a lunch time BBQ on the last day of classes. There were hot dogs and pizza, great music, and lots of laughter as Mr. Riar, Ms. Gibson and others climbed into the hot seat in the dunk tank while others made an impromptu dance floor on the grass. Harman B, Yukon Jack, and White Chocolate made another guest appearance at the school showing once again, that once a Panther always a Panther. It was a challenge for all to come back inside for afternoon classes but it was clearly a perfect end to a year filled with both tears and laughter.

WASN'T THAT A PARTY!!!

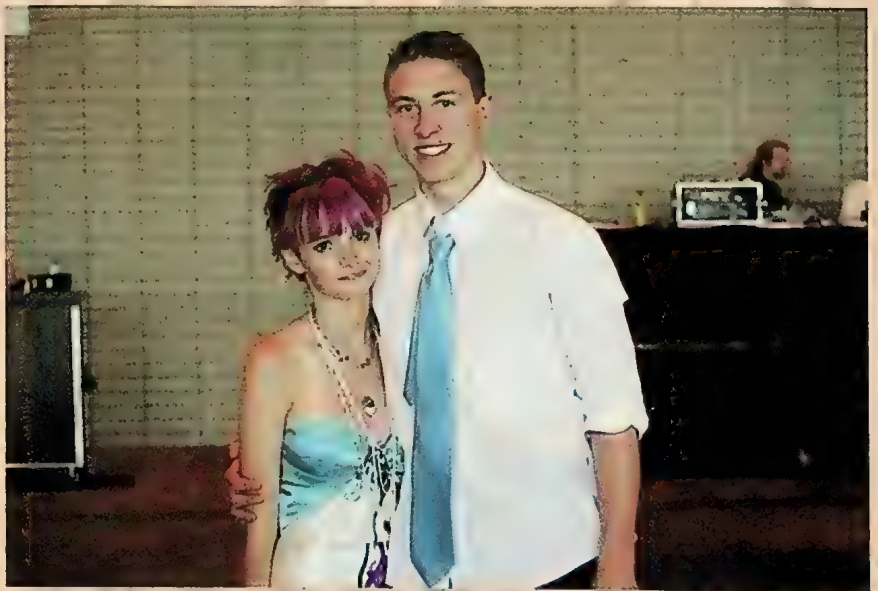

Once classes were over and exams conquered, the day the Grade 12 students had been looking forward to for three years had arrived! On June 29th, 2010, Page graduates, staff, and supportive family and friends congregated at the Shaw Conference cCntr in downtown Edmonton. Dressed in their finest, the girls were beautiful and the boys dashing, as they reveled in their successes and accomplishments.

Simran Kharal and Vu Huynh all suited up.

Mr. Prosser and Mr. Trew sharing in the successes of the graduates.

Nikki Bell, with her brilliantly colour coordinated hair and dress, and her date getting ready to hit the dance floor.

AND THE PARTY HAS JUST BEGUN...

After a yummy meal and heartfelt speeches (accompanied by a dramatic thunderstorm visible from the banquet hall) the grads were ready to say goodnight to parents, teachers, and any other chaperones! The DJ took to the stage and a collective sigh of relief could be heard as the real celebration got under way.

Izza Termizi, Aisha Ali, and Talia Gillani take a break from the speeches to pose for a picture.

PANTHERS CONQUER THE FIELD

LIFE ON THE FAST TRACK

The 2010 Track and Field team had a successful season. The athletes were dedicated and worked hard, and this resulted in 12 of our athletes qualifying for the Divisional Championships! (Jen Colwell, Mitch Chalmers, and Candace Allen just missed qualifying.) At the Divisional Meet, we were plagued by injuries and bad weather (including snow!), but there was lots of team support, and Thomas Winter qualified in the Senior Boys Shot Put for the Provincial Championships in Medicine Hat (after Tyler Ludwig, who also qualified, was unable to attend). As most of the athletes this year were either Junior or Intermediate level, the J. Percy Page Track team will be even more successful in the years to come.

CITY CHAMPIONS...

MEN'S SOCCER TEAM ARE ON TOP

CITY CHAMPIONS!!! Some may say it was inevitable with the combination of least goals against in the league and second most amount of goals for, but the Panthers showed great determination and skill that pushed them to the top. This Panther team was full of players who pushed each other to play better not only as individuals but as a team. Fantastic work boys on such a successful, fun, and rewarding season.

MEN'S RUGBY

The Men's Rugby team had a very successful year. In March, the team traveled to California to play against teams from all over North America. This helped prepare the team for the upcoming season. With a core group of returning members and a large influx of new players the team exceeded all expectations by finishing 4-2 and tied for second at the top of the premiere league. Our season ended in a hard fought semi-final 29-15 loss to Ross Shepherd's T-Birds . Despite the defeat the players were left feeling excited at the possibilities of next year's season. To all our senior players moving on we would like to thank them for the effort and wish them the best for the future.

Coaches: Mr. Ultan Peters, Mr. Cam Wilton, Mr. Ben Nicholson, Mr. Kurtis Robertson, Mr. Taso Garanis.

WOMEN'S RUGBY

The Women's Rugby team had a great year. It was a hard-working team of determined young woman who fought for every win and really learned the meaning of teamwork. As a result they made it all the way to the City Championships where they placed 2nd against Queen Elizabeth. For a group that started out with a lot of players new to the sport, they showed the true meaning of "panther pride" emerging as a team that shows great promise for the future of Rugby at Page.

Back Row; Ms. Rania Burns, Nikki Bell, Kristin Bergenstrom, Sabrina Miller, Megan Skates, Cally Oviatt, Sarah Martin, Emily Outram, Rachael Doherty, Amber Goldfinch, Alysha Kant, Philana Konietz, Ms. Fran Grabinski, Ms. Nikki Thompson / Middle Row: Brittney Smith, Erika Acorda, Jazmyln Inkster, Tara Strekies, Karen Benewaa, Jessica Salikan, Anna Tikhomirova, Leeanna Shapka-Wolfe, Candace Allan, Marissa Gilson / Front Row: Rhiannon Thompson (Chaperone and Mascot)

THE HEART OF PAGE

Teenagers today live busy lives, a fact that makes the time and effort our students put into volunteering both in the school and the community even more impressive. Student's Union events are integral to the life of the school and always organized with ease and grace by the SU Executive. Other opportunities for students include Page TV, various Art Mural Projects, Page's newspaper - The Pawprint, Student's Against Drunk Driving and competing in various Skills competitions. And this just scrapes the surface, the various Exit Projects have made our students leaders in the community and given them much of which they can be proud.
